## Nomination of a PhD Supervisor

To:

The Chairman

Interscience Institute of Management and Technology,

Bhubaneswar, India

Dear Chairman,

This is the appointment letter to Professor Dr. Wen-Feng Wang (Chinese Name: 王文峰; Chinese ID number: 142725197903266417) as a PhD supervisor in Northwest A&F University (NWAUFU), China.

From now on, Professor Dr. Wen-Feng Wang shall start to perform his responsibility as a PhD supervisor in NWAUFU. The responsibility is to supervise PhD students from the team of Professor Jun-Hu Ruan for possible publications of articles on *Nature Computational Science*. For each article published on *Nature Computational Science*, Professor Ruan shall be signed as one parallel corresponding author or parallel first author.

Professor Dr. Wen-Feng Wang shall submit at least one manuscript to *Nature Computational Science* every year and also shall publish at least one article on *Nature Computational Science* within two years. That is, before April 14, 2023, if there is a publication by Professor Dr. Wen-Feng Wang on *Nature Computational Science*, the cooperation in PhD education will continue. Otherwise, we will have to end the nomination.
